Harbinger News

*In each issue of the Harbinger Newsletter Grampa Waterman would give news of what was happening at the camp, about his ministry, the financial situation and anything else he thought was important to the Harbinger Community. So we will follow in his footsteps and give some news items.*

**Harbinger News - February, 1978** - We keep getting letters of inquiry about Joey Saunders who was so remarkably touched at Campmeeting as to get out of his wheelchair and walk up the aisle amidst the praise and rejoicing of the packed house. Joey goes to school daily. He has to be a little careful and does have therapy to strengthen his limbs - but he is doing fine and that a miracle was wrought at Camp cannot be denied. I have refrained to name the many who have come to this porch to be prayed for. Some have been healed. Some are still afflicted. God alone is the answer and our times are in His hands.

### The Septic System Update

Thanks to the many contributions that we have received, we will be ordering the parts needed to install the new septic system in February or March. We have installers who are prepared to begin installation as soon as the parts arrive, and the ground is soft enough to begin. We have about \$12,000.00 so far and we need to raise approximately \$6,000.00 more to complete the project. Please consider making a donation or talking to your church and others about helping us with this great need. Please make donations out to:

*Anything you can do to help meet this need will be gratefully appreciated!*

### Rally Supplies Request

*People come here and say in amazement and how do you do it all? We don't do it all. Harbinger people are not ordinarily camp meeting people. Everyone chips in, finding as much joy building the place as there is in just being here. More in fact. I doubt very much if there is another place like this in New England where it's not "I" but "we." So that's our Christmas present and we praise God for it!. -Earl Waterman, Harbinger Newsletter, 1984*

Would you please consider being a blessing to Harbinger by contributing any of the items in the following list? Thank you for your love, prayers, support. All contributions help! May God richly bless you for your faithfulness!

The items we need are: Paper towels, paper plates, paper bowls, paper cups, napkins, zip lock bags (all sizes), cloth dish towels, cleaning supplies, large plastic food storage containers (Rubbermaid, Glad, etc.), large plastic deli and margarine tubs, etc.

Basic food supplies that we use at every Harbinger rally: flour, sugar, brown sugar, spices of all kinds, beef and chicken bouillon, salt, pepper, non-dairy creamer, Sweet and Low, Splenda, Equal, coffee (regular and de-caf), tea (regular and de-caf), oat meal, dry cereals, elbow macaroni, spaghetti, #10 cans of vegetables (preferably the basics - corn, peas, green beans, tomatoes, fruit - peaches, pears, fruit cocktail, etc.), regular size cans of tomato paste, chicken broth, cream of mushroom soup, canned milk, cooking oil, peanut butter, jelly, etc.

### Contacts

We are continuing to grow our e-mail list. We are seeking to do all our mail by e-mail so we hope you will send us your e-mail. However, if you want to receive the newsletter by regular mail please send us your address at [jeffgilman@comcast.net](mailto:jeffgilman@comcast.net) or you may write to him at 27 Wilson Rd., Kittery, Maine 03904. We are also on Facebook and our website address is [www.harbingerbibleconference.org](http://www.harbingerbibleconference.org).

### Financials

We Praise the Lord to be able to report that we continue to be a faith based organization and do not charge for any services that we provide for our three annual rallies. Harbinger ministers in some way all year long and 98% of our budget is funded from the gifts and donations of those who love and are blessed by the Holy Spirit's Ministry at Harbinger.

On behalf of the Board and the Leaders of the Conference let me say that we are so very grateful for all of you who support this ministry all year long in any way at all. God bless you all, we love you! If you would like to support Harbinger's ministry please send all donations to:

### Harbinger Miracles

In 1977, as reported in the February 1978 Harbinger, the Harbinger Family raised and contributed \$10,773.20 to the conference and spent \$10,743.43 in expenses for an almost balanced budget. But in addition to this budget, the Conference bought land, bought new office equipment and paid for it, took out a \$3,000.00 loan to plumb the former motel and to make a parking area in front of it. The loan was repaid and all bills concerning these projects were paid during this same year. At the end of the year the Conference had \$29.00 left. However, the camp had expanded, upgraded and all bills were paid.

This is a stunning report that could only have come from the hand of the Lord. Here we are 33 years later still amazed at what God did that year and still giving Him praise for miracle after miracle poured out on Harbinger to make it what it is today. As seen earlier in this newsletter, God was already doing miracles of healing and spiritual growth but these financial miracles are just as astounding. Grampa Earl must have been so blessed to experience God's hand of love and faithfulness on him.

In today's economy things for all of us are worse than ever. Finding discretionary funds to give to Harbinger is harder than ever. The world has changed and gotten worse, our people have passed away or moved to places where they can no longer travel to be with us and Harbinger is struggling. But our God is the same - yesterday, today and forever! He never leaves us or forsakes us. He is with us always event of he ends of the earth. Even to the end of time. He will be faithful to us. May we be ever faithful to Him. And may we always look to Him to guide, direct and continue Harbinger Bible Conference according to His plans and purposes - which are always for His glory and for our good.
